The daughter of a police officer killed in the line of duty wrote *“Thank you so much for helping and supporting me these last four years of college. I couldn’t have done it without you. I am looking forward to starting my new chapter of life. I cannot thank The Hundred Club enough for all their help”*.

A son who lost his father in the line of duty when he was a young boy wrote *“Thank you for remembering me on my birthday every year”*.

And a widow who lost her husband during a violent crime wrote *“Thank you! Your kindness is truly heart warming!”*

Sentiment expressed by a widow in a note to The Hundred Club *“Thank you for reminding me we are not alone and forgotten!”*

A widow who lost her husband in the line of duty when her children were very young wrote *“Your financial support throughout the years has been incredible. Because of The Hundred Club, I have been able to complete my college degree, which has allowed me to attain better employment.”*

New Hampshire's police officers and firefighters dedicate the greater part of their lives caring for the safety of the citizens of New Hampshire, often risking their lives while doing so. It is only fitting that we help ease the burden if one of these valiant individuals should lose their life in the line of duty.
